

QUAKER SPRINGS UNITED METHODIST CHURCH

Safe Sanctuary Policy (2025)

As a Christian community of faith and a United Methodist congregation, we pledge to follow reasonable safety measures as we conduct the ministry of the gospel in ways that assure the safety and spiritual growth of all of our children, youth and adults.

In 2025, the Upper New York Annual Conference set Minimum Standards for Safe Sanctuary. The Quaker Springs United Methodist Church pledge to follow the standards set forth by the conference as they clearly describe the Safe Sanctuary protocol followed at the Quaker Springs United Methodist Church. A copy of this policy is posted in the church as well as on our website and copies are available upon request.

In all of our ministries with children and youth, the congregation of the Quaker Springs UMC is committed to demonstrating the love of Jesus Christ so that each child will be “surrounded by steadfast love,...” “established in the faith and confirmed and strengthened in the way that leads to life eternal” (“Baptismal Covenant11,” *United Methodist Hymnal*,p.44).

The following are the Safe Sanctuary Minimum Standards as set for by the Upper New York Annual Conference in 2025.

SAFE SANCTUARIES® - THE MINIMUM STANDARDS (revised 2025)

The Minimum Standards set forth below have been established by the Upper New York Annual Conference for all ministries. They are mandatory. They are not inspiration, but set minimum standards to protect children, youth, and vulnerable adults from abuse and exploitation. Without exception, these standards apply to all local churches/charges, district and annual conference ministries, and those who serve within.

A vulnerable adult is someone aged 18 and over; who due to age, illness or a mental or physical condition, is less able to take care or protect themselves against harm or exploitation; including but not limited to physical and sexual abuse, neglect by self or others, financial or material exploitation, emotional or psychological mistreatment. Vulnerable adults are also those adults who work with children and youth who can be in a position where accusations of abuse could mistakenly arise; or adults who have been abused either as a child or an adult.

Minimum Reasonable Safety Standards in Recruiting, Screening and Selecting Workers

1. Recruiting Workers

- a. A written position description that includes the essential functions of the job shall provide for positions in ministries with children, youth, and vulnerable adults.
- b. Interested workers shall complete and application that includes identification, address, employment history for the past five (5) years, volunteer work during the past five (5) years, experiences and skills specifically related to the position, prior church membership (if any), personal references (not related to the applicant) with complete address and contact information, waiver of any right to confidentiality and of any right to pursue damages against the church/charge caused by the references' responses, certification that the information provided is true and correct, voluntary disclosure of past criminal convictions, and authorization to conduct a criminal background check.

2. Screen workers

- a. References provided by the applicant shall be checked by the pastor or a designated Safe Sanctuaries committee/team member. The reference check shall include questions about the applicant's ability to work with children, youth or vulnerable adults (depending on ministry) and leadership ability.
- b. A personal interview shall be conducted.
- c. A criminal background check and state central child abuse registry shall be authorized by and completed for all clergy in any active status or relationship with the Conference whose appointment is set or approved by the bishop, every person serving as a supply pastor (assigned by the district superintendent) and retired clergy performing ministerial functions as well as paid workers, and volunteers who have regular and direct contact with children,

youth, and vulnerable adults. The criminal background check shall be performed after ever two (2) years of service and at the beginning of service and after a break in service of one or more years. Background check results shall be kept in a secure manner.

3. Adult volunteers shall demonstrate an active relationship with the local church/charge for at least six (6) months before being allowed to be in a supervisory role in activities for children, youth, or vulnerable adults.

4. Selecting Workers

- a. Only workers that have successfully completed the application and screening process shall be eligible to be considered for selection to a ministry position with children, youth, and/or vulnerable adults.
- b. In the event that the criminal background check reveals a conviction or other cause for concern, the pastor and/or another ministry leader shall consult with the applicant.
- c. Adults convicted of child abuse or named as a perpetrator in a founded or indicated child abuse report through a designated state or county agency, or who are under investigation for, or who have direct access to children, youth, or vulnerable adults in any church-sponsored activity or setting.

Procedures for Conducting Ministry Programs and Events for Children, Youth, and Vulnerable Adults.

1. Adult staff, volunteers, and clergy shall observe the “Two-Adult Rule” at all times so that no adult is ever alone with children or youth or vulnerable adults at a church/charge, district or conference sponsored event or activity. The two-adult rule requires that regardless of the size of the group, there shall always be two unrelated adults present. This may include the presence of an adult “roamer” who moves in and out of rooms/ministry activities. No child, youth, or vulnerable adults shall be left unsupervised while attending a ministry program or event.
2. Adult staff and volunteers are those who are at least 18 years and who are at least five (5) years older than the oldest minor present, whom they are leading, ministering to or supervising. Youth (those ages 13-17) are invited to assist adult volunteers but are not to be considered an adult for the “two-adult rule”.
3. All adult staff and volunteers and clergy shall be observant for unusual behaviors and signs of child, youth, and vulnerable adult abuse and shall report them immediately to the appropriate supervisor.
4. All adult staff, volunteers and clergy working with children, youth and vulnerable adults shall receive a copy of the applicable local church/charge, district or conference ministry or program Safe

Sanctuaries* Policy before starting their service and shall agree to convent with the (local) United Methodist Church, District or Conference ministry or program to fully cooperate with these abuse prevention strategies.

5. All ministry activities shall occur in open view. Each room or space where ministry events occur must be open to public view. This may require enclosed spaces such as classrooms having a viewing window, a glass panel in the door, a half door configuration or an open door.
6. Attendance records shall be kept for all ministry events/activities involving children and youth. These records shall include at a minimum, the date and names of all participants and shall be kept until Jesus returns (perpetuity).
7. Ministry activities involving transportation shall require a written permission slip/form and signed by a parent/guardian. Drivers of children, youth and vulnerable adults must be 21 years of age. The ministry supervisor shall be required to keep a copy of their current license and proof of insurance card on file with the appropriate ministry program (i.e., church/charge, district, conference ministry).
8. Facilities shall be free from conditions that pose a safety or health hazard to the participants.
9. Every clergy in any active status or relationship with the conference whose appointment is set or approved by the bishop, every person serving as a supply pastor (assigned by the district superintendent) and retired clergy performing ministerial functions shall regularly review and be familiar with public sex offenders' registries maintained by New York State law enforcement agencies.

1. "Social media are tools whereby effective and fruitful ministry may grow and be nurtured. Although these tools can aid us and increase the scope of contact and connection as well as the breadth of people who may be touched by our ministry offerings, social media cannot be the source or foundation of ministry. Our foundation is Jesus Christ. Social media platforms are creations of human ingenuity that provide for us one more way to express and proclaim the good news of the gospel of Jesus Christ. We are called to use social media with care, consideration, intentionality, and a Christ-like spirit." Safe Sanctuaries in a Virtual World, Joy Thornburg Melton and Michelle L.
